

## **Legalization without apostille**

The legalization without apostille consists of a procedure by which the Embassy certifies the authenticity of a document issued by a State (Sweden) so that it is valid before authorities of another State (Argentina).

This is the type of legalization applicable when legalization with apostille is not possible.

The document, in order to be legalized without apostille, must meet the following requirements:

- Be original.
- Have original signature and indication of the name and position of the signer.
- Be in Spanish or English, or have a translation into one of these languages.
- Be legalized by a Swedish notary public or, if it is a commercial document, by the Swedish Chamber of Commerce.
- If it is certificate of origin: have been issued within the last 60 days.
- If it is certificate of origin: be accompanied by commercial invoice of the operation.

Fees:

- Commercial document (includes certificate of origin): USD 200.
- Diploma, professional or technical degree: USD 50.
- Testimony or certificate of civil or ecclesiastical authority or judicial ruling regarding the name or marital status: USD 40.

Other public or private documents: USD 60.

The fee is paid in SEK at the exchange rate valid on the day when the document is submitted for legalization. The exact amount in SEK is informed by the Embassy.

### Procedure | At the Embassy

1° | Submit the document for legalization at the Embassy any working day, from 9:00 a.m. to 11:00 a.m., without the need for an appointment.

2° | If you pay the fee by debit or credit card or by bank deposit, you can collect the legalized document on the same day. If you pay by bank transfer, the Embassy will contact you when the transfer has been accredited, to inform you that the document can be collected.

### Procedure | By post

1° | Send by post the document to be legalized in a sealed envelope, which must also contain a legalization request note that includes your contact information (post address, e-mail address and telephone number).

2° | Once the document is received, the Embassy will contact you to inform you the fee amount and request that you pay that amount by bank transfer or deposit.

3° | Once the payment is registered, the Embassy will send by post the legalized document to the address stated in the note.
