

Power of attorney

Both Argentine citizens and foreigners can grant power of attorney under Argentine law at the Argentine Embassy in Sweden.

The principal obtains testimony (copy) of the power of attorney, which must be posted to the agent. The original of the signed power of attorney is filed at the Embassy.

Fee: amount in SEK equivalent to USD 80 every 25 lines or fraction lower than 25 lines, at the exchange rate valid on the day of processing. The exact amount in SEK is informed at the Embassy.

Exception: whoever grants power of attorney relating to a pension granted as compensation for human rights violations is exempt from the fee.

Estimated duration of the consular appointment: maximum 30 minutes.

Procedure

1 ° | Request an appointment by email to consulares_esuec@mrecic.gov.ar informing your name and surname and, if you wish, preference of days to attend the appointment.

If you live outside of Stockholm, you can request an appointment for one of our consular visits to the interior of Sweden. Upcoming visits: Malmö 10/18/2018 | Göteborg 10/19/2018.

Attach to the email text that should be included in the power of attorney, in Word format. It is suggested that you commission the elaboration of said text to a lawyer or legal professional.

2 ° | Wait for the appointment assignment by the Embassy, which you will receive by email within 2 business days after the appointment request.

3 ° | Attend the appointment bringing an identity document (Argentine DNI, if Argentine, or identity card or foreign passport, if not Argentine).

If your appointment was granted for one of our consular visits to the interior of Sweden, you must also submit photocopy of the Argentine DNI or identity card or foreign passport.

Important: in the power of attorney you will be identified with the identity document that you have submitted. Your Argentine ID will be mentioned if you submit a Swedish identity card or passport.

Revocation of power

Everything said above also applies to the revocation of power previously granted, regardless of public authority before which it would have been granted in the past.
